DATE MAILED:

**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents**

The reply filed on 10/7/03 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): while the election includes the elected species, it should include the claims believed by applicant to be the elected claims as a result of the election. This is requested due to the complex nature of the application and the restriction requirement and to eliminate any potential arguments later regarding whether specific claims are elected or non-elected. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
